

### Year 2018

1. P. Naresh, Dr. Syed Altaf Hussain, Dr. B.Durga Prasad, Mechanical Characterization of Al alloy 7068/TiC MMCs, International Journal of Mechanical and Production Engineering Research and Development, PP 22-28, **2018** (Special Issue), ISSN: 2249-6890. [\[SCOPUS\]](#).
2. R. Siva Kumar, Dr. K. Thirupathi Reddy and Dr. K. Hemanth Reddy, Experimental Investigations on 4-stroke single cylinder diesel engine (CI) with changing the geometry of the piston, International Journal of Mechanical Engineering & Technology, Vol.09, Issue. 13, **Dec. 2018**, PP.693-700, ISSN: 0976-6340.[\[Scopus\]](#).
3. K. Sudhamadhuri, H. Raghavendra Rao and B.chandra Mohan Reddy "Experimental Investigation on the Mechanical properties of Hard Wickia Binata Fibre reinforced polymer composites" Materials Today Proceedings, 5 (**2018**), 19899-19907. [\[SCOPUS\]](#).
4. Gutam Kumar Amit Kumar simgh and Bidesh roy " Predicting Response Parameter of Micro Electrical Discharge Maching Using Anfis," **AIP Conference** Proceedings,Vol.1998.Issue1,pp-020001 (**2018**) [DOI: 10.1063/I.5049097,ISSN:0094-243xz(Scopus indexed)]
