(Sponsored by AICTE under SPICES Scheme) on the  
occasion of Engineer’s Day.

- ✚ Department of Civil Engineering RGM CET Civil Student Chapter Club organized competition on **“TECHNICAL QUIZ”** (Sponsored by AICTE under SPICES Scheme) on the occasion of Engineer’s Day. The National Engineer's Day September 15<sup>th</sup> gives recognition to all engineers in India and raise awareness about their contributions towards the development of the country. India currently has the second largest number of engineers in the world. This day is celebrated India, Sri Lanka and Tanzania.
- ✚ Today, 15th September is observed as Engineer's Day 2022, this day is celebrated every year to commemorate the birth anniversary of the renowned Indian Engineer, Sri Mokshagundam Visvesvaraya. Thus, to make you aware of more such interesting information about this day we have curated Engineer's Day Quiz 2022. This day marks as a remembrance and tribute to Sri Mokshagundam Visvesvaraya, who is considered one of the greatest engineers in India. Sri Mokshagundam Visvesvaraya is also known as the father of Indian Engineering because of his immense contributions and innovations in the field of engineering and the development of society. Also, on Engineer's Day we pay tribute to all the hard-working engineers who play an eminent role in the development of a nation. With rapid technological advancement and changes in the world, we need engineers to bring ideas into reality.

### IMPORTANT POINTS ABOUT ENGINEER'S DAY - 2022:

- ✓ Prime Minister Narendra Modi, Amit Shah & several other eminent individuals across the country paid their homages to the statesman and wishes all citizens.
- ✓ The theme of Engineer's Day 2022 is "Engineering for a Healthy Planet – Celebrating the UNESCO Engineering Report"
